MEMORANDUM FOR THE RECORD

SUBJECT: NSDD-138

Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence (HPSCI), called this afternoon to remind me that the HPSCI wanted a copy of NSDD-138 in response to his earlier request. I had already told him that that was a White House document and not ours to dispose. In today's call he made the request formal and asked me to call the White House and relay their request. I did so this afternoon with Ollie North, National Security Council Staff. Ollie North told me that the White House had already turned down a similar request from Senator Percy and suggested that I inform Mr. O'Neil only that he should make a formal request for a copy of NSDD-138 to Bud McFarlane, Assistant to the President for National Security Affairs. In Mike O'Neil's absence, I informed Steve Berry, HPSCI Staff, of Ollie North's instruction.
